STUDENT TESTIMONIAL

“10/10 would recommend studying abroad in Lyon during law school.

It was such an incredible experience and also gave me the opportunity to get credit hours out of the way. I was able to meet people from every section, which made the transition into 2L year so easy. I think every student should take advantage of this program. It has been my favorite experience of law school so far!

-Virginia Stewart

STUDENT TESTIMONIAL

“Summer in Lyon was a once in a lifetime experience. I was able to travel and explore seven different countries and enjoy the different cultures of each. I still remember the beautiful view hanging out by the river with my friends, seeing the sunset go down. Miss it so much – it was truly the best summer of my life.”
