Pro-Bono Opportunities

CASA Training TODAY at 3PM in room 110

Court Appointed Special Advocate (CASA) volunteers are everyday people who speak up for abused and neglected children to help them reach safe and permanent homes. More than 250 children in East Baton Rouge Parish will be placed in foster care this year because of abuse and neglect at the hands of their caregivers. These children need CASA volunteers to go to bat for them so that they are not lost in the cracks of the system. If you would like to volunteer, ***please attend the training today at 3PM.*** See the website for more details.

SLLS Opportunities

We hope you enjoy the speakers today who will give an overview of the broad opportunities SLLS has to offer. If you would like to volunteer and didn't get a chance to sign up at today's meeting, please visit the website for more information, or contact one of the pro-bono chairs.

Baton Rouge Bar Association

The Baton Rouge Bar Association has ample opportunities for people seeking pro-bono experience, including ask-a-lawyer and the self-help desk. To sign up, please visit the website or contact one of the pro-bono chairs.
